COMP PLAN TASK FORCE MEETING AGENDA:

Aug 24, 2021

Zoom: 6:30pm

Comp Plan Priority Subject Areas chapter – Kemblesville Village Enhancements

We will discuss implementation priorities for recommendations for this chapter that was reviewed at the July TF meeting. We did not get a chance at the July meeting to do this.

Comp Plan Priority Subject Areas chapter – Roads & other Community Infrastructure

We will discuss the draft Roads & other Community Infrastructure priority subject area chapter that is based on community input. Then a Comp Plan Task Force member has specific input/comments on this chapter. Last, we will discuss implementation priorities for recommendations for this chapter.

(As background information when reviewing these chapters, with a subject area Comp Plan format, the chapter revolves around recommendations. The chapter provides basic background information plus a goal, but is focused on recommendations, actions, and explanations and supportive information about each action. See Table of Contents outline you had received prior for reference.)

Public and Board Comment

The last 15 minutes of the meeting will be for any public comments, followed by Board of Supervisor comments.
