

## Goodwin Preserve Reforestation

*Our Goal - 100 Volunteers each planting 20 trees*

*March 20<sup>th</sup> starting at 8:00AM*

- Goodwin Preserve is located on Rt 841 (Wickerton rd) at Church Hill road
- Carpool when possible because parking is limited.
- Please bring the following
  - Shovel
  - Snack / Lunch
  - Drink
  - Gloves
  - Boots for potentially muddy conditions.
  - Hammer or Mallet

Note: Water will be provided on the day of the event

- Please check in at the sign-in table when you arrive to receive your planting assignment.
  - Once assigned, move to your designated area and meet the team leader for further instructions.
- Last but not least
  - Have a great time with family and friends, both old and new, and help make Landenberg a greener place!

Notes:

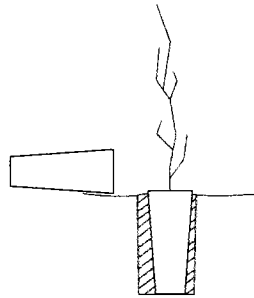

1. Containers are to be recycled
2. Tree MUST be even or a slightly higher than the surrounding soil.
3. Mix the tree species throughout the planting area.
4. No watering is required with this type of planting method.

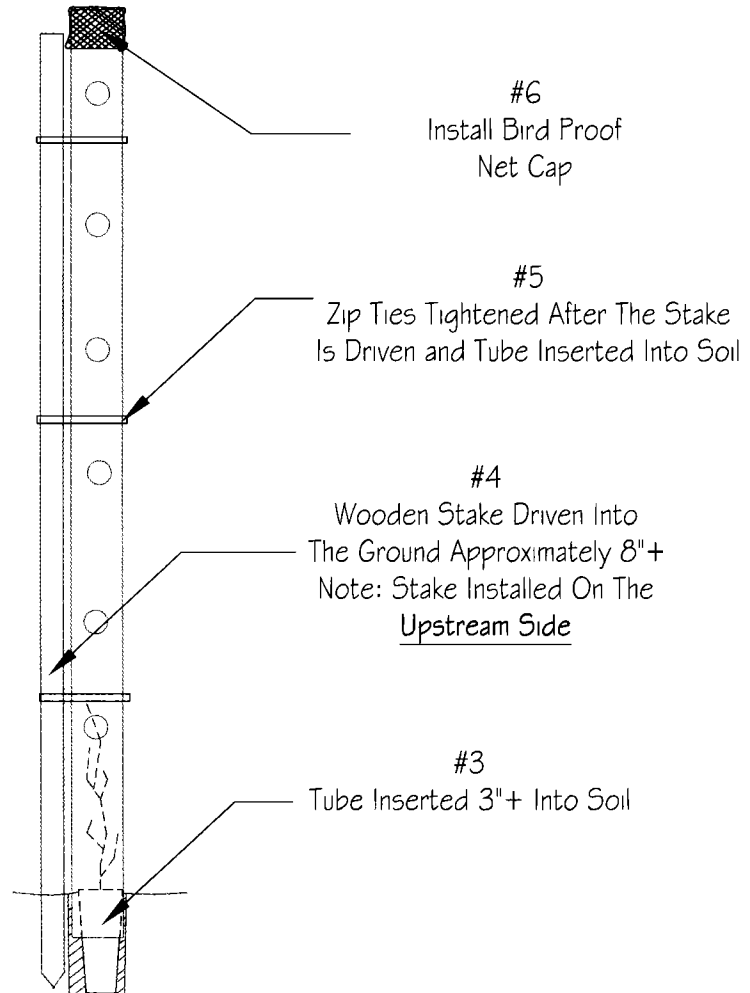

Tree In Container
