Dear Customer,

Accompanying this letter, please find SECCRA's Rate Sheet and Holiday Schedule for 2010. Please note that the tipping fee will increase from its present \$59.50 per ton to \$62.00 effective January 1, 2010. All other rates, minimum fees and special fees will remain unchanged.

Thank you for your continued support of your community landfill and recycle programs. We work hard to provide our customers with quality service at an affordable cost. Unfortunately, operational costs continue to rise and we are forced to adjust our tipping fee to compensate for these increases.

We truly value your business and are always striving to improve and supplement the services we offer to our customers. If you have any questions or concerns please feel free to contact SECCRA by phone at 610.869.2542, via email at [seccra.org](mailto:seccra.org), or leave a comment on our 24-hour comment line by calling 484.643.5355.

Thank you.

Sincerely,

William G. Stullken
