Comprehensive Plan Project

COMP PLAN TASK FORCE MEETING AGENDA:

Oct 27, 2020

Zoom: 6:30pm

Finalize list of Key Person interviewees.

Review Comp Plan table of contents with draft priority areas inserted.

Discuss Community Online Survey Results Takeaways for the purpose of refining draft Comp Plan Priority Subject Areas, draft Goals/Critical Items for each Priority Subject Area, & draft Future Vision for Township.

We will discuss Survey results. The Survey closed Friday Oct 9, at 5pm. Community input from the Survey will provide refinements to the 5 draft Comp Plan priority subject areas discussed at the Sept 2020 TF meeting. These results will also be used to refine major points/critical items/goals under each priority subject area. Before this meeting, please review the materials provided and come prepared with your ideas on the materials.

Discuss Comp Plan Priority Subject Areas draft recommendations

If time permits at this meeting, we will begin to discuss draft recommendations for priority for subject areas. We drafted preliminary bullet point recommendations for the priority subject areas. Draft recommendations are based on TF meeting input, Community Workshop takeaways, and Survey results. If we don't get to it at this meeting, we will discuss these at the next meeting in November.
