March 23, 2021

Zoom: 6:30pm

Comp Plan Priority Subject Areas chapter – Ag Retention

We will discuss the draft Ag Retention priority subject areas chapter that is based on community input and is formatted differently than the current Comp Plan. With a subject area Comp Plan format, the chapter revolves around recommendations. The chapter provides basic background information plus a goal, but is focused on recommendations, actions, and explanations and supportive information about each action. See Table of Contents outline for reference.

Comp Plan schedule

We will discuss the Comp Plan schedule that will now add in a BoS review to follow TF review.

Public and Board Comment

The last 15 minutes of the meeting will be for any public and Board of Supervisor comments.
