

Memorial Trees at Crossan Park

A Lasting and Thoughtful Tribute

TREE SELECTION

Select a native tree from eight different species. Tree will be planted in either spring or fall. Tree sizes will vary from 1.5" to 3" diameter trunks depending on species and availability.

COST

Total estimated cost is \$425.00-\$600.00 depending on species and availability. Customizable plaque installation and planting are included.

TREE LOCATION

The Franklin Township Parks, Recreation and Open Space Board will be happy to help you select a tree and will provide numerous planting locations at Crossan Park for you to choose from.

PLAQUE

A weather-sturdy cast aluminum with high-contrast bronze/gold finishes. Size 10" x 14". Plaque will accommodate two lines of customizable text up to 16 characters.
