

Notice To Residents

Subject: 2023 Franklin Township Road Program

Old School House Road

Franklin Township has contracted with Long's Asphalt to complete the Township's 2023 Road Program. The work on your road will commence on 6/20/23 and be completed by 7/11/23 weather permitting. The work consists of road reconstruction, embankment grading, milling of roadways and installing a new surface course. Work hours will be from 7:00 am to 5:00 pm Monday through Friday. During the duration of the work the road will be closed to through traffic. Residents will be able to access their properties from Chesterville Road or Wickerton Road depending on the location of the residence.

The Township has requested the Roads to be paved in one pass. Our paver can pave roads up to 22' wide in one pass, most Townships prefer 1 pass paving where applicable because it eliminates the center seam on the road (center seams tend to open up over time causing the road to deteriorate quicker) and provides a better finish product. During the paving process Residents may face delays accessing or leaving their driveways depending on the location of the paver. There will be no parking on the roads during working hours. Paving of the road is currently scheduled for 7/10/23 and 7/11/23. Also, the work schedule could be affected by inclement weather so the schedule could fluctuate a day or two. We appreciate your understanding and patience as we complete the road improvements.
