- ChristianaCare- We continue to await the specifics from ChristianaCare regarding the former Jennersville Hospital. From our discussions with their leadership, the phased approach plan is scheduled to be announced mid-Fall with the opening of the ER planed for some time in 2023.
- All of our discussion with ChristianaCare include our ability to remain at our hospital location. We have additional space needs which we are communicating with their leadership.
- Future Station- The Chester County ARP Grant submitted to the County by Penn Township to build a new station for MEDIC 94 was not in the first round of grantees.
